**We Noticed You've  
Purchased a Cricut Before  
and Wondered if You'd  
Considered Taking Your  
Projects to a Whole New  
Level?**

Hi there,

If you're a fan of **Cricut** products, now is the perfect time to **upgrade** to the **next level...**

The **Cricut Maker 3** is the **ultimate** in **cutting machines**, being the **very top of the line** for all things **Cricut**, it can cut **300+** materials **2x faster** than before using **Smart Materials**. **Versatile** and **speedy**, it can cut everything from the most **delicate fabric** and paper to **heavy-duty crafts** making it **capable of more than you could imagine!**

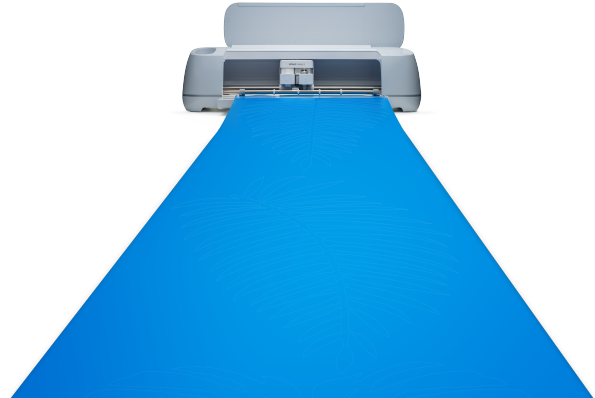

## If You Liked the Explore, You'll Love the Maker 3

The **Cricut Explore** is the **ideal machine** for **everyday crafts** with its ability to cut **100+** materials and a **standard cut force** that can **score**, **draw** and **cut** through

things like **cardstock**, vinyl, **iron-on**, glitter paper, **cork**, and **bonded fabric**.

However, if you wanted to **upgrade** in order to deal with **300+ materials**, including **heavy chipboard**, tooled leather, **balsa wood**, and more, the **Cricut Maker 3** is the way to go with **10x the cutting force**. With the ability to produce **super long, super precise cuts**, it can deal with **delicate crafts** and **heavy-duty cutting** that is **2x faster** than the original Cricut Maker, the **Cricut Maker 3** is the logical **next step**. It can do **all that** the Explore can do **and then some!**

## Cricut Comparison Chart

Cricut Machine	Additional Tools	Materials It Can Cut	Cutting Force
Maker 3	13	300+	10x
Explore	6	100+	Standard
